

2017 Western Nugget National Hereford Show
November 30 - December 2, 2017
Reno, Nevada

New this year – All Western Nugget National Hereford Show entries will only be accepted online.

To complete your entry, go to the Western Nugget Hereford Show and Sale website www.nuggethereford.com and click on the Entry Button which will take you to this site: <https://www.BlueRibbonFair.com/BRFairProd/BlueRibbonStart.aspx?ID=2245>. You will then be able to set up your exhibitor information and enter classes for your cattle. Entry fees must be made through this site with Visa and Mastercard being accepted forms of payment.

The show schedule will be Junior Show – Thursday, November 30, Open Show Females – Friday, Dec. 1; and Open Show Bulls – Saturday, Dec. 2. All shows will start at 9:00 a.m., at the Reno Livestock Event Center Main Arena. Cattle must arrive on the grounds between Tuesday Nov.28 at 8:00 a.m. and Thursday Nov. 30 at 8:00 a.m. Animals arriving earlier will be charged a daily stalling fee. **Please note the RLEC will be available for arrival on Sunday, November 26.**

Due to changes at the Reno Livestock Events Center, several modifications to our show have been necessary. We will be showing and stalling in the Main Arena and supplemental power will be provided for grooming and show preparations in the Main Arena. Two tie-out options are available this year. The Cutting Arena as has been used in the past is available at \$25 per head for the show on a First come – First serve basis. The other options is to use the permanent horse stalls (where cattle used to stall) which are 12' X 12' with a sliding door. The horse stalls may be used at no charge; however, they must be cleaned with everything swept to the aisle or you will be charged \$50 per stall. Cooking will be allowed in the horse stall area, but supplemental power will not be supplied by the show, so you must have your own generator.

All animals entering Nevada must have a health permit issued by a licensed veterinarian within the 30 days of the show. The 2017 blanket health permit number for the Western Nugget Hereford Show and Sale is: **SW081417-17058**. **Please see Nevada Health requirements included with this letter.**

If you wish to make lodging reservations at the Nugget call (800/648-1177) using the code: **GWNHS17** to receive the Nugget Hereford Show and Sale special rates.

Again for 2017: Pen of 3 bulls. Each bull must be entered as an individual, but there is no additional entry fee for the pen. Premium money will be awarded for the pen show, which will be held at the beginning of the bull show on Saturday, December 2 at 9:00 a.m. Please enter class: PEN 3 Bulls.

Junior exhibitors may show in both the open and junior show, to do so, they must submit entries and pay fees for both.

The sale will be held in the Celebrity Room at 4:00 p.m. on Dec. 2 at the Nugget. For complete information about the sale a sale committee member: Scott Holt (208/850-1329), Don Brumley (209/479-0287) or Buffy Goss (775/530-6196).

The Western Nugget Hereford Show follows the American Hereford Association and Junior National Hereford Expo Show Rules.

Entry Fees are as follows:

Open Show Early Bird Deadline	By Oct. 15	\$65.00/head
Open Show Final Deadline	By Nov. 1	\$75.00/head
Junior Show Deadline	By Nov. 1	\$35.00/head

This information is taken directly from the Nevada Department of Agriculture website for cattle entering Nevada. Check with your veterinarian at time of health certification for any changes or additions.

Traceability for Livestock moving Interstate (effective 1/3/17):

Official identification is required for the following cattle and their official ID has to be recorded on the health certificate:

1. All sexually intact beef cattle 18 months of age and over
2. All dairy cattle of any age
3. All cattle used for rodeo, recreation, show or exhibition

Acceptable forms of identification:

1. Official ear tags: metal or 840-compliant (RFID or visual)
2. Official USDA backtags for cattle moving directly to slaughter
3. Registered breed tattoos when accompanied by certificate

Cattle/Bison

1. Health Certificate
2. Entry Permit
3. Females – 12 months and older must be official brucellosis calf hood vaccinates (OCV) with a legible ear tattoo.
4. All dairy cattle 6 months of age or older must have a negative tuberculosis test within the last 30 days. Dairy cattle of any age have to be officially identified and the ID recorded on the CVI.
5. All bison, regardless of state of origin that are 12 months and older have to have a negative TB and brucellosis test within the last 30 days.
6. All sexually intact beef cattle 18 months and older require official identification and their official ID has to be recorded on the health certificate.

Steers:

1. Health Certificate
2. Entry Permit

Heifers/Including Bison:

1. Health Certificate
2. Entry permit
3. Must be OCV if weaned and older than 4 months
4. All dairy heifers 6 months of age or older must have a negative TB test within the last 30 days
5. All dairy animals of any age require official identification and their official ID has to be recorded on the health certificate.

Mexican Cattle:

1. Health Certificate
2. Entry permit
3. Only spayed heifers and steers allowed
4. Animals must be “M” branded on right hip
5. Negative TB within 12 months before entry. Original entry paperwork must be faxed to this office before a permit is issued.
6. All cattle used for rodeos, shows and exhibitions of any age require official identification and their official ID has to be recorded on the health certificate.
7. Mexican cattle must not be co-pastured with any breeding cattle!!!

Canadian Cattle:

1. Health Certificate
2. Entry permit
3. All animals have to be individually identified as approved by USDA.
4. Individual ID has to be listed on the CVI.
5. All cattle except for immediate slaughter require a CAN brand on the right tail head.
6. Registered cattle may enter without a CAN brand if they have a 'CAN' tattoo.
7. Slaughter cattle must be delivered directly to the slaughter facility and may not be diverted without written permission from the State Veterinarian.

Bulls

1. Health Certificate
2. Entry Permit
3. Bulls 12 Months or older MUST be T. fetus tested within 60 days of entry into Nevada and have a T. fetus control program tag in the right ear.
4. Individual 'In Pouch' Test or individual RT-PCR test accepted.
5. Bulls changing ownership and entering Nevada – T. fetus test chart must be faxed to this office BEFORE a permit will be issued.
6. Bulls need to be individually identified on T. fetus test chart and health certificate needs to reference the T. fetus test chart.
7. All dairy bulls 6 months or older have to react negatively to a test for tuberculosis within 30 days before entry.
8. All dairy animals of any age require official identification and their official ID has to be recorded on the health certificate.
