- c) Cattle originating from states that are not certified "free states" require negative brucellosis or TB tests (this rule applies to show animals also.).
- d) All consignments must be free of lice, ringworm and scabies and have a certificate attesting to the general good health of the animals, freedom from communicable diseases, etc.
- e) After review and compliance with the above requirements, the consignor's veterinarian is authorized to use the following blanket permit number exclusively for the Hereford Show/Sale: SF 073108-5906. Permit should be issued no more than 15 days prior to entry. The permit number must be on all copies of certificate along with name of the event, dates and exact location.
- f) ALL CATTLE REQUIRE INDIVIDUAL HEALTH PAPERS (copies will be sufficient).
- g) **Sale bulls 8 months of age or older are required to have a negative trichomoniasis test within 30 days of the sale** and it must accompany the health papers (due to shipment to other states).
- h) Consignors should check with their state veterinary office for possible variations in tests pertinent to their area concerning entry into the state of Nevada and possible entry into other states from there.
- i) **NEW THIS YEAR: All cattle will be guaranteed or tested to be IE Free. All cattle will be required to be PI BVD tested-negative. Contact Animal Profiling International for PI test. B.J. Macfarlane 530-518-1024.**

### **DELIVERY**

The sale will offer to buyers a maximum delivery cost of \$350 if arrangements are made by the sale. Any delivery costs incurred above this amount will be charged directly to the consignor of the lot being delivered if the consignor doesn't help with delivery arrangements. However, unavoidable delivery costs above \$350 will be added to overall sale costs. The delivery arrangements and care of the delivered lot is the responsibility of the consignor until delivery.

### **SALE ORDER**

A committee consisting of AHA Representatives, Sale Manager & Sale Committee Chairman using interest, marketability, age and quality as criteria, will establish the sale order.

### **COSTS**

1. **Entry Fees** of \$450 must accompany registration papers with entry form.
2. **Shared Sale Costs:** Those costs will be charged on a percentage basis for all cattle going through the sale ring. All designated livestock entry fees that have been collected will be deducted from the total shared sale costs prior to determining this percentage. The shared costs will be taken on a percentage of the gross sales and "no sales".
3. Consignors having "no sales" must pay shared sale costs percentage and "no sale" commission based on the price designated as "floor" by the consignor.

4. **Catalog Costs (this is included in the entry fee):** The sale catalog will be prepared by the Hereford World and included as a supplement to the November issue (mailed October 25<sup>th</sup>). Consignors will have a 1/4 page or more per lot. Please include with your entry any footnotes or footnote information such as performance information and show records, along with colored pictures and negatives.
5. **Individual Costs**
  - a) Registration Transfer
  - b) Delivery costs if applicable (see delivery).
6. **Required memberships** will be deducted from settlements in cases where the consignor is not a member prior to the sale. (Check General Rule 6)
7. **Commissions on Sales and “No Sales”**
  - a) Auctioneer – 1%
  - b) Sale Management – 6%

## **PAYMENT**

Payment will be made approximately 30 days after the sale or when payment for the animal is received, whichever is later. We will allow time for checks to clear and bills to be paid.
